- All team members must wear their Stonewall Sports Bowling-Nationals T-shirt and proper bowling shoes while bowling on Saturday. Teams may wear their own Jerseys for the Tournament on Sunday.
- All team members in attendance and in Stonewall Sports Bowling – Nationals shirts or team jerseys must bowl at least one game for that day.

- Bowlers can be rotated between games
- Three games are bowled on Saturday; resulting team scratch total pin count will be used to do bracket format into tournament play on Sunday.
- Practice begins at the scheduled game start time and will last for 10 minutes.
- No more than 4 bowlers can bowl per game. Teams consist of a minimum of 4 bowlers and maximum of 6 bowlers.
- Any team with less than 4 bowlers at the start of any game will have to forfeit that game(s) and scored zero points for that game. NO non-registered Stonewall Sports-Nationals bowlers can bowl at any time. Any team that allows a non-registered bowler to bowl will forfeit that game and receive a warning. If a second warning is issued during the weekend, the team will not be eligible to participate in the tournament.
- Bowling lanes will be rotated back and forth between each frame.
- If a thrown bowling ball enters the gutter and then hits pins after, the pins knocked down will count as lay
- Game totals will be scratch scores. No handicaps will be added.
- Individual game scores will be recorded on a daily score sheet, signed and turned into Ron Leedy or Nick Tober before the team leaves on the day of play. Any team score sheets not signed and turned into Ron Leedy or Nick Tober will be automatically awarded 0 (zero) points for the round of play. All score sheets must be totaled and signed to be valid
- Please practice proper bowling etiquette. If your lane is ready to bowl on and you are ready, check the bowlers on each side of you. Do not take your bowling approach at the exact time either of these bowlers are taking their approach. If their approaches are clear, bowl.
- At the end of bowling please return any bowling center bowling balls to their rack and any rented shoes to the counter.

- From Saturday game results, the teams will be ranked based on their total 3 game team scratch pin count. Highest to lowest. Sunday tournament brackets will then be set up based on these totals.
- The top 6 ranked teams will then play in an A-bracket on Sunday. The A-Bracket will consist of each team bowling 3 games.
- Any teams ranked below the top 6 teams will be placed in a B-bracket. The B-bracket will consist of those teams bowling 3 games.
- The A and B brackets will be set up upon the conclusion of Saturdays play.
- At the end of the tournament on day two(Sunday), the team that finishes in the #1 spot(based on total team scratch team pin count) of the A- bracket will be declared the winner of the Stonewall Bowling Nationals Tournament. If there is more than one team with identical pin count total in the A-Bracket, there will be a 3 frame roll off (frame 8,9,10). If there are more than two teams with identical pin count totals, playoff bowling order will be based on weekend total pin count. (Team with lowest weekend pin count will play next lowest weekend pin count and the winning of that playoff will bowl the next). The highest team total for the final 3 frame playoff will be awarded the Championship for the season.
- The B-Bracket will follow the same format of the A-Bracket. The winning team of the B-Bracket will be awarded an unofficial consolation award.
- Bowling shoes cost/rental is included in the registration fee.
- All bowlers must observe the rules and regulations of Corner Alley, which includes not bringing outside food and beverage, not smoking and responsible use of their facility.
